The Build Financial Wellness™ 50/30/20 Budgeting Tool

The 50/30/20 budgeting approach helps you organize your money into three simple to track categories — needs, wants, and savings/debt — making it easier to create a plan you can follow.

YOUR MONTHLY INCOME

Enter your total monthly net (after tax, take-home) income. $

YOUR TARGET BREAKDOWN

NEEDS

50% Housing, food, utilities transportation, insurance, and childcare

$

WANTS

30% Shopping, entertainment, subscriptions and travel

$

SAVINGS/DEBT REPAYMENT

20% Savings goals and additional debt repayment

$

Use the Target Breakdown to see how much of your monthly income would be assigned to each category using the 50/30/20 approach. Categorize each of your current expense as a Need, Want, or Savings/Debt Repayment amount and enter it in the corresponding section below. Then compare each category total with its target amount .

50/30/20 is a guide, not a requirement. Your plan should reflect your circumstances and priorities.
